

Today's Golfer -lehti: BRONZE AWARD

“Spins the ball brilliantly”

MD Golf Players Nickel	7,872 RPM		Taylormade RAC Black Tp	6,331 RPM	(24% more!)
Nike SV	7,220 RPM	(9% more!)	Mizuno MP T-Series	6,238 RPM	(26% more!)
Ping Tour Black Nickel	6,944 RPM	(13% more!)	Cleveland CG 11	5,866 RPM	(34% more!)
Callaway x Tour	6,414 RPM	(22% more!)	Cleveland 588	5,415 RPM	(45% more!)

Today's Golfer, Wedge Test May 2006.

The MD Golf Players Nickel generated a phenomenal 7,872 revolutions per minute during independent testing – 652 rpm more than the next closest rival. Now to compliment our existing range of finishes MD Golf are offering a new cobalt version employing special U grooves, this latest Players wedge is guaranteed to spin even more.

New cobalt finish | U grooves | even more spin
